INTERNATIONAL
SEEK GOD, BRIDGE

December 1, 2023

Dear Friend,

I hope this letter finds you well. I am writing to you on behalf of United Worship Encounter International (U.W.E.), a subsidiary of FreedomLife Church, a nonprofit 501(c)3 corporation. We are thrilled to announce that in June of 2024, we will be hosting an incredible event in Nairobi, Kenya – the United Worship Encounter: Kenya. The U.W.E. has already brought together over 300 pastors and leaders from across the African Diaspora, Pakistan, Italy, the United Kingdom, Australia and the United States. This gathering will provide a unique opportunity for these individuals to come together, share their experiences, cultivate relationships, and foster a sense of unity in worship and service.

To make this grand event possible, we are reaching out to beloved supporters like you to help us raise \$25,000. Here is how your generous contribution can make a significant impact:

1. **Logistical Costs:** Organizing an event of this magnitude requires careful planning and execution. From venue rental, permits and transportation to accommodations and technical equipment, your support will ensure a seamless experience for our team and all attendees.
2. **Humanitarian Support:** Recognizing the importance of giving back to the local community, we will allocate a portion of the funds raised towards humanitarian efforts. This will include outreach programs, provision of necessities to those in need, and partnering with local organizations to address pressing social issues.

By joining us in this endeavor, you have an opportunity to play a crucial role in shaping lives, inspiring worship leaders, and fostering a sense of global unity in worship. We believe that through shared worship experiences, we can ignite a lasting change in our communities and promote a deeper connection among believers worldwide.

Would you prayerfully consider supporting in the form of a financial contribution towards our fundraising goal? No amount is too small, and each dollar brings us closer to realizing our vision for the United Worship Encounter. You can make your tax-deductible donation securely through our website, WWW.MYFREEDOM.LIFE or by sending a check made payable to: FreedomLife Church with ‘United Worship Encounters’ in the memo.

Furthermore, we encourage you to share this letter with friends, family, and colleagues who may be passionate about making a difference and might be willing to contribute. Together, we can create a positive and impactful experience that will resonate far beyond the event itself.
